

We offer more than just products:

Katun Customer Technical Services and Support

We work with you to provide professional technical advice and services to enhance and support your business growth.

Services Include:

▶ Training Seminars

From machine refurbishment to operational settings, we can attend and provide training at your premises.

▶ Hands-On Technical Sessions

Interactive sessions including product rebuilding and machine maintenance.

▶ Roadshows and Sales Seminars

Need some help convincing your customers of Katun's unsurpassed quality? Let us explain all the benefits, quality standards and value.

▶ Extended Katun Dealer Fleet Management (MPS) Training

We can help you get the most out of Katun's MPS software with training on the reporting features and cost saving management.

▶ Telephone Support

Need quick support with an issue? - We're here to help!

Katun's Technical Managers are market experts, with:

- 20+ years of industry experience each
- Six Sigma Certified
- OEM Trained

Prices start from just €60 +vat.
