

Katun® Access™ OPC Drum for use in

Kyocera TASKalfa 180/181/220/221-series

Digital Copier/Printers

Katun PN: 39721 • OEM PN: 1702KH0UN0/MK-460

Manage costs and increase your profits with this OPC drum now available from Katun!

Katun is pleased to introduce this Katun® Access™ OPC Drum for use in these Kyocera machines. This drum delivers reliable quality and performance, while offering a significant cost savings. This OPC drum will fit into MK-460 drum units.

Note: Products shown represent Katun products in this category.

Benefits:

◆ Proven Success From an Industry Leader

Kyocera dealers and distributors around the world have enjoyed success and savings with Katun® OPCs. The introduction of this OPC drum builds on that success and offers Katun customers even more opportunities to save!

◆ Dependable Quality and Performance

This Katun drum has been lab-tested to ensure image quality and drum life that are equal to or better than those provided by other aftermarket suppliers. Maintain high levels of end-user satisfaction while increasing your profitability!

◆ Cost-Effective Solution Provides Excellent Value

When lower upfront costs are your highest priority, this Katun® drum represents a safe, competitive alternative to immediately reduce your cost per page and service expenses. Choose Katun® Access™ to ensure performance equal to or better than other aftermarket alternatives for these Kyocera machines.

◆ Long Term Opportunity

This Katun® drum will provide dealers with a great long-term opportunity to reduce their expenses on a significant portion of their installed machine base..
