## Katun's new PM Kit expands the growing line of products for use in a wide range of Ricoh machines!

*Note: Products shown represent Katun products in this category.*

The addition of this Katun® Performance™ Preventative Maintenance Kit for use in Ricoh Aficio MP 4000/5000 series expands Katun's growing product offering for use in Ricoh applications. This 160K PM kit offers OEM-equivalent performance at a significantly lower cost than the OEM kit – providing Ricoh dealers with an excellent value and immediate cost savings without sacrificing quality.

### Benefits:

#### ◆ OEM-Equivalent Quality and Performance

Ricoh dealers can expect OEM-equivalent results throughout the life of this Katun® Performance™ PM Kit when used in this still-current and popular machine series. Dealers can maintain high levels of end-user satisfaction while increasing their profitability!

#### ◆ A Long-Term Profit Opportunity on a Large Widely Placed Machine Base!

The Ricoh Aficio 4000/5000 series represents a very successful higher speed Ricoh Aficio series and has been widely placed, providing you with substantial cost-saving and profit opportunities. The Katun® Performance™ PM Kit will provide dealers with a great long-term opportunity to reduce their expenses on a significant portion of their installed machine base.
