These Katun monochrome toners provide outstanding print quality and performance in Xerox printers!

Katun introduces four new monochrome printer toners to our comprehensive line of high-quality Katun Performance™ monochrome and color toners for use in Xerox printers and MFPs. These toners provide outstanding performance, remarkable print quality and significant cost savings to Xerox dealers and end users seeking alternatives to costly OEM supplies.

Benefits:

◆ Choose Katun Toner for Consistent Quality and Performance

These new monochrome toners have been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Image quality & density
- Yields
- Fusing performance

◆ Reduce Your Supplies Costs

These toners offer OEM-equivalent performance at a significant cost savings, which means you can improve your profitability without sacrificing quality or customer satisfaction. Additionally as many of these printers are still actively being sold by Xerox, these new Katun mono toners provides dealer with immediate and long-term profit opportunities.

◆ A Smooth Transition from OEM to Katun Products

These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun toner seamless for your customers. These Katun Performance™ toner cartridges are developed and manufactured according Katun's strict quality guidelines to ensure outstanding performance.

◆ Comprehensive Selection - A Growing Line You Can Count On

Katun offers a comprehensive line of toner cartridges for use in the most popular Xerox monochrome and color printers and multifunctional equipment, enabling you to meet the printing supplies needs of all your customers – whether large or small.
