Katun® Performance™ Toner for use in

Samsung ML-3050/3051n-Series

Printers and MFPs

Katun PNs: 37358
OEM PNs: ML-D3050B

This cost-competitive Katun® Performance™ toner provides excellent print quality for small and medium size businesses

The introduction of this Katun® Performance™ toner cartridge for use in Samsung ML-3050/3051n-series machines expands Katun's growing product offering for use in Samsung printers. This remanufactured monochrome toner cartridge provides outstanding print quality, OEM-equivalent yields and a very competitive cost per print.

Benefits:

◆ **Toner Performance You Can Trust**

This Katun® Performance™ remanufactured toner cartridge has been developed and rigorously tested to provide outstanding image quality, image density, page yields and fusing performance. You'll receive industry-leading performance from this reliable, profitable OEM alternative.

◆ **High-Quality Remanufacturing**

These remanufactured toner cartridges fit, install, and perform the same as the OEM products, which helps make the transition from OEM toner to Katun® Performance™ toner seamless for your customers. All remanufactured Katun® Performance™ toner cartridges are developed and remanufactured according to ASTM, STMC, and ISO quality guidelines.

◆ **Expense Reduction – When You Need it Most**

In today's economic environment, every organization is looking for cost savings and other competitive advantages. This new Katun® Performance™ toner offers you just that – significant cost savings versus OEM supplies, without sacrificing quality or performance.

◆ **Two-Year Warranty**

Katun® Performance™ printer products are backed by our no-risk, two-year warranty and over thirty years experience as the world's leading alternative supplier to the imaging industry.

KATUN® PERFORMANCE®

Machine Overview

In 2006, Samsung introduced the ML-3050/3051n-series printer, a highly reliable application that is efficient and priced very competitively. The machine is compact in size and ideal for home office and small business workgroups. This printer uses a 400Mhz processor and 64MB of memory, which enables print speeds up to 30 ppm. It also offers both wired and wireless network printing, as well as Ethernet connectivity. The ML-3051ND model has an auto-duplexing feature, which will deliver speeds up to 21 ppm.

Model	Speed (PPM)	Intro Date	Mfg Status	Markets	Est. USA Retail Price	Maximum Monthly Volume	Functions
ML-3050	28	2006	Discontinued	Europe	$240	35,000	Print
ML-3051N	30	2006	Discontinued	N. America	$249	35,000	Print
ML-3051ND	30	2006	Discontinued	N. America	$349	35,000	Print

Product Characteristics.

Metrics	OEM	Katun
