

Katun® Performance™ Color Toners for use in

OKI C5650/5750 and C5850/C5950

Color Digital Printers

Katun PN: See Table - Product Characteristics
OEM PN: See Table - Product Characteristics

These two new color toner sets are the latest additions to Katun's successful line of high-quality supplies for use in OKI printers

With the introduction of these two Katun® Performance™ toner sets, Katun now offers a complete line of compatible toner cartridges for use in all OKI C5000 - series machines. Katun® customers now have another quality alternative to high-cost OEM supplies for a wide range of current generation OKI color digital printers. The C5650/C5750 - series applications are perfect for businesses that print mostly monochrome with occasional need for quality color documents. The C5850/C5950 - series machines come with higher capacity (6,000 yield) color cartridges and are an ideal choice for organizations that print monochrome but have frequent need to print business color documents as well.

Benefits:

◆ Toner Performance You Can Trust

These new Katun® Performance™ toners have been developed and rigorously tested to provide outstanding color reproduction, image quality, image density, and page yields and to ensure complete compatibility with the OEM toner. Katun's testing and evaluation protocols ensure industry-leading performance – giving you a reliable, profitable OEM alternative.

◆ Expense Reduction – When You Need It Most!

In today's economic environment, it's important – and frequently a challenge – to control your expenses, especially when the cost of doing business continues to increase. With these two new Katun® Performance™ remanufactured toners, you can do more than control your costs – you can reduce them!

◆ High Remanufactured Quality

These remanufactured toner cartridges fit, install, and perform the same as the OEM cartridges, and contain a compatible chip designed specifically for the designated model application; this helps make the transition from OEM toner to Katun® Performance™ toner seamless for the consumer. All remanufactured Katun® Performance™ toners are developed and remanufactured according to ASTM, STMC & ISO quality guidelines.

Product Characteristics: C5650/5750-series toners

Metrics	OEM	Katun
Part Number: Black (K)	43865708	36781
Part Number: Cyan (C)	43872307	36782
Part Number: Magenta (M)	43872306	36775
Part Number: Yellow (Y)	43872305	36776
Yield/Cartridge*	8,000 @ 5% coverage (Black) 2,000 @ 5% coverage (C/M/Y)	8,000 @ 5% coverage (Black) 2,000 @ 5% coverage (C/M/Y)
Price per / sold in	Priced per cartridge	Priced per cartridge, 1 cartridge per Master Carton
Fusing Appearance	Gloss	Gloss
Fits and performs in	C5650N, C5650DN, C5750N, C5750DN	C5650N, C5650DN, C5750N, C5750DN

*Actual yield may vary depending on machine, environment, and usage conditions.

Product Characteristics: C5850/5950-series toners

Metrics	OEM	Katun
