

# Katun® Performance™ Fuser Film Replacement Kit for use in

## Canon iR Advance C5030/5045-series

### Digital Copier/Printers

Katun PN: 39472 • OEM PN: FM3-5950-000

## Improve your service profits on these popular Canon color machines with this fuser film replacement kit

*Note: Products shown represent Katun products in this category.*

### Benefits:

- ◆ This Katun® Performance™ replacement kit provides a truly viable, cost-saving alternative to the OEM products. This product option provides Canon dealers a lower cost alternative to either replacing the entire fuser unit or the fixing film assembly on these proven, popular machines
- ◆ An exclusive product for Katun customers, this fuser film replacement kit allows you to easily rebuild the fixing film assembly – enabling you to reduce service costs and improve profits. Rebuild instructions are included in the kit and install video instructions are available online at [www.katun.com/resources/rebuild-instructions](http://www.katun.com/resources/rebuild-instructions).\*\*
