Katun Performance™ Monochrome Toners for use in

Lexmark MX 710 and MX 810-series

Printers & MFPs

Katun PN: See Page 2 • OEM PN: See Page 2

Katun introduces monochrome toners that provide outstanding print quality and performance in these Lexmark printers!

Katun introduces three new monochrome toners to our growing line of high-quality monochrome and color toners for use in Lexmark printers and MFPs. These new Katun Performance™ toners provide outstanding print quality and performance, plus significant cost savings.

Benefits:

◆ **Choose Katun Toner for Outstanding Performance**
You can trust Katun – this new monochrome toner has been developed and rigorously tested to ensure complete compatibility with the OEM toner and to provide outstanding:

- Image quality & density
- Yields
- Fusing performance

◆ **Reduce Your Supplies Costs**
This toner offers outstanding performance at significant cost savings, which means you can improve your profitability without sacrificing quality or customer satisfaction. Although these mid-size workgroup printers are no longer sold by Lexmark, machines in the field are likely to exhibit longer-than-average machine lives due to their track record of durability and infrequent performance issues.

◆ **Katun Performance™ Quality**
These remanufactured toner cartridges fit, install, and perform similar to the OEM products, which helps make the transition from OEM toner to Katun Performance™ toner seamless for your customers. These toner cartridges are developed and manufactured according Katun's strict quality guidelines to ensure consistent product quality.

◆ **A Growing Line You Can Count On**
Katun offers a growing line of toner cartridges for use in the most popular Lexmark monochrome and color printers and multifunctional equipment, enabling you to meet the printing supplies needs of all your customers – whether large or small.
