

MATERIAL SAFETY DATA SHEET

1. Product and Company Identification

Product Name: ZEB 1 IN CORE TTR 110MM*450M BOX/12

Part Number: 53564

Supplier of the SDS: Katun Corporation

10951 Bush Lake Road

Minneapolis, MN 55438 USA

Tel: 1-952-941-9505

2. Composition and Information on Ingredients

Ingredient	CAS Number	Weight %
Polyester Film	25038-59-9	65%
Carbon Black	1333-86-4	5%
EVA	24937-78-8	5%
Polyethylene		7%
Paraffin Wax		18%

3. Hazards Identification

Human: Not expected to cause harm to human for its innocuous substance.

Environment: Not available

4. First-Aid Measures

Eye contact: In case of contact, flush eyes immediately with plenty of water and get medical assistance.

Skin contact: Wash with soap and water and get medical assistance if skin irritation occurs.

Ingestion: Ask for immediate medical help.

5. Fire Fighting Measures

Flash point: Not Combustible

Extinguishing media: Water, Carbon dioxide.

Unusual fire and/or explosion: No explosion hazards.

6. **Accidental Release Measures**

Safely collect the release materials in a proper disposal container and keep away from fire.

7. **Handling and Storage**

Handling: Wash hands with soap and water after handling. When slitting or cutting, adequate ventilation is recommended if particles are generated.

Storage: Store in dry and well ventilated area at the temperature below 40 C. Avoid direct sunlight, flame and heat sources.

8. **Exposure Controls and Personal Protection**

Exposure controls: No exposure to direct sunlight or UV light is recommended to prevent possible photo degradation.

Personal protection: Goggles and masks are recommended when particles are generated during slitting process.

9. **Physical and Chemical Properties**

Appearance: Ink coated PET film with black colour.

Odor : Little/No odor.

Boiling point: N/A

Melting point: >50°C for ink, >250°C for film.

Flash point: >150C

Vapor pressure: N/A

Solubility: N/A

Explosion: N/A

10. **Stability and Reactivity**

Very stable under ordinary conditions and no other dangerous reaction are known.

11. **Toxicological Information**

No negative effect on human health is known.

12. **Ecological Information**

N/A

13. **Disposal Consideration**

Waste should be disposed in accordance with local, state and federal laws and regulations.

14. **Transport Information**

Classified as not a dangerous material. (IMO, ICAO, IATA)

15. **Regulatory Information**

No specified regulation exists.

16. **Other Information**

The data and information above are mainly based on our knowledge and experiences to describe product safety.

It is not a warranty and no liability is accepted for any loss, damage, injury or cost arising from the use of information here in this MSDS because the use of product by customer is not under our control.
